

**AGENDA**  
3-25 Advisory Committee  
9-18-2014  
3:00 pm Meredith Community Center

1. Consider minutes of August 21 Meeting.
2. Consider and, if appropriate vote on (for 3/25 intersection):
  - A. Single lane roundabout option.
    - (1) location and land acquisitions, including second eastbound turn lane
    - (2) potential effect on traffic
    - (3) pedestrian crossings
  - B. Signalization option.
    - (1) location and land acquisitions, including second eastbound turn lane, but not including (unless the committee desires otherwise) additional westbound lane or lanes.
    - (2) potential effect on traffic
    - (3) pedestrian crossings
3. Consider options for Pleasant St. intersection (each version tied to the corresponding version at the 3/25 intersection):
  - A. Report on discussions with Cross Point management as to their attitude regarding possibility and possible traffic controls at their existing entrances/exits.
  - B. Single lane roundabout.
    - (1) location and land acquisitions
    - (2) potential effect on traffic
  - C. Signalization.
    - (1) location and land acquisitions
    - (2) potential effect on traffic

4. Consider (only if any interest is expressed) possible Pleasant St. bypass option.
5. Consider possible options for pedestrian accommodation and crossing controls at Dover St. and Lake St.:
  - A. Tunnel possibility, including cost estimate and land acquisitions for ADA compliant pedestrian ramps.
  - B. Signal options, including signals tied to timing of 3/25 signal (if any) and other (e.g., traditional) walk/don't walk signals.
  - C. Center pedestrian safety center islands.
6. Consider northbound left turn restrictions at Lake and Dover Streets.
7. Consider proposed next meeting date: Thursday, October 9.
